RE: IBCA Partnership With The Charity Stripe

Dear Mitch:

On behalf of our IBCA Executive Board Members and District Directors, thank you very much for presenting your Charity Stripe initiative and Free Throws For Heroes™/Free Throws For Freedom™ charitable fundraising programs at our annual Fall meeting last week.

**After the required vote, we are very happy to report that your Charity Stripe programs received unanimous approval from our board members and directors.**

The IBCA is very pleased and excited to officially begin our partnership with The Charity Stripe and look forward to working closely together to raise money and make positive differences to so many Illinois families in need...all through the great sport of basketball.

As passionate basketball coaches, we share your vision and passion in teaching life lessons to our players and students beyond the basketball court...and your program is an ideal opportunity for all of us to unite as an Illinois basketball community to partner with you for such a valuable and worthwhile charitable cause.

Thank you very much for bringing this partnership opportunity to the IBCA and we look forward to working with you. Please call us at your earliest convenience so we can quickly team up and put the plan in place that will allow all of us to help you maximize success.

Sincerely,

Chuck Rolinski  
Executive Director  
Illinois Basketball Coaches Association
