

Helping American Military Families In Need

Helping American Families Find Comfort
And A Cure For Cancer

Stepping Up To The Line To Help Others

Dear Parent(s):

“A basketball program must have an overriding purpose that teaches life lessons to our players beyond just winning”

It is in this spirit that we will be participating in one or both very worthwhile, inspirational causes named “Free Throws For Heroes®” to help military families and/or Free Throws For The Fight™ to help families find comfort and a cure for cancer, two outstanding charitable programs worthy of our support and participation.

Our team will be joining other basketball teams and thousands of players across the state and across the country as ONE unified basketball community to **“Make Free Throws That Make A Difference”** to these families in need...in and around our own communities.

Free throws often determine the outcome of games and now...our team’s free throws will also help determine the outcome of people’s lives

We are respectfully asking our players, their parents and their close family/friends to make a pledge for every free throw your son and/or daughter makes during this one day event that will be held during our regularly scheduled practice. Not only will this event help reinforce the importance of free throw shooting in games, but will also empower all of our sons and daughters to **“Be A Hero To These Brave Families.”**

The pledge sheet is on the back of this form and any help you can give will go a long way in helping teach our youngsters the importance of community involvement and giving back to those less fortunate all through the great sport of basketball and free throw shooting.

Please visit www.thecharitystripe.net, www.freethrowsforheroes.org or www.freethrowsforthefight.org if you have questions or would like to learn more about these important initiatives. Thank you for your support!
