

A Band Of Brothers And Sisters In Harmony To Help Military Families And Cancer Patients

Dear Parent(s):

This Year, Let's Band Together And Work In Concert To Bring The Healing Power Of Music To Military Families And Cancer Patients...It Will Be "Music To Their Ears"

To let our true spirit shine through, we'll be participating in a very worthwhile, inspirational cause called Music To Their Ears™, a not-for-profit charitable program that will help raise funds for American military troops and their families as well as cancer patients seeking comfort and a cure...an outstanding initiative worthy of our music group's support.

These program will enable and empower us to use our musical skills/talents to give back to those less fortunate, joining other music groups throughout the state and country as ONE UNIFIED music community.

We are respectfully asking our band and choral members, their parents and their family/friends to make a donation as one band of brothers and sisters in harmony to help those less fortunate

All charitable recipients are pre-qualified and pre-approved for assistance so our efforts will make a real, visible, direct difference to them. Donations will be used to purchase musical instruments, accessories and lessons as well as music therapy in which music is at the core of patient rehabilitation. We also have the ability to record a special performance on a DVD which can be sent to American troops serving overseas as well as cancer patients in area hospitals.

The Pledge Sheet is on the back of this letter. Any help you can give will go a long way in helping us teach our youngsters the importance of community involvement and giving back to those less fortunate through the healing power and universal language of music.

Please visit www.thecharitystripe.org if you have questions or would like to learn more about these important initiatives. The Charity Stripe, Inc. is an official 501(c)(3) charitable organization and the creator/sponsor of Music To Their Ears™

My Sincere Thank You

Music Director/Instructor
