- The Charity Stripe will set up your hockey team's or league's own online page & then email you the page link. Just share the link with your players.
- Your players then get online pledges for **every goal your team scores over 5 consecutive games...**whatever 5 games works best for you
- Just add up your teams total goals over those 5 games and donors easily make their online donations
For example: 12 total goals scored @ \$1.00/goal = \$12.00 donation
